LETTER FROM SWAYZE

“From Genesis to Revelation, we see God's commitment to using His people to bless all people. In fact, as coaches and athletes, we are to use whatever gifts he has blessed us with to bless others and ultimately the nations. After the fall, God immediately begins the rescue story. Every word that you read in the Bible was written with the gathering of the nations back to God in mind. As John Stott says, **“We must be global Christians with a global vision because we serve a global God.”**

The meta-narrative of Scripture is that God is redeeming all people groups/nations (panta ta ethne). We see this specifically in certain verses, like Acts 1:8, where Jesus says, “you will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth.” In one of the five Great Commission text (Matthew 28:19), Jesus commands us to, “Go, therefore, and make disciples of all nations.” YOU! ME! US! We see this early on as God sends Jonah to Nineveh. We see this taking place in Paul's early missionary journeys. Our God is a missionary God with a desire to reach, redeem, and restore all people in all places.

“To See the World”

The story of the Fellowship of Christian Athletes is similar in that it mirrors God's desire to see the world transformed by Jesus, only we focus on sport as a tool through the influence of coaches and athletes. Since 1954 when FCA began, it has been our vision “to see the world”, but only recently has there been a plan, a strategy, global partners, and an initiative to mobilize Team FCA across the SEC to make disciples to the ends of the earth!

I pray that you relentlessly make disciples in your state, in your multi-area, in your area, in your school, and into the locker room; but **DON'T STOP AT THE LOCKER ROOM DOOR, DON'T STOP AT THE COUNTY LINE!**

Join us in being God's ambassador through sport **TO THE ENDS OF THE EARTH!**

LET'S GO!

EAST AFRICA FCA

WHO WE ARE

East Africa FCA exists to see the world transformed by Jesus Christ through the influence of coaches and athletes. To see the WORLD means EVERY. Every coach, every athlete, and every nation.

Within the global alignment, each state is partnered with countries to foster ongoing partnership relationships and to ensure **NO FORGOTTEN COUNTRIES.**

Out of our 20 countries, we are currently active in 7!

An aerial photograph of a town with a mountain in the background. The town is densely packed with buildings, mostly with red and blue roofs. A large, white, domed building, likely a church or cathedral, is prominent in the lower-left quadrant. The mountain in the background is green and partially covered in white clouds or mist. The sky is overcast with grey clouds.

JESUS, THE RESCUER OF ALL NATIONS

God's Heart for the Nations

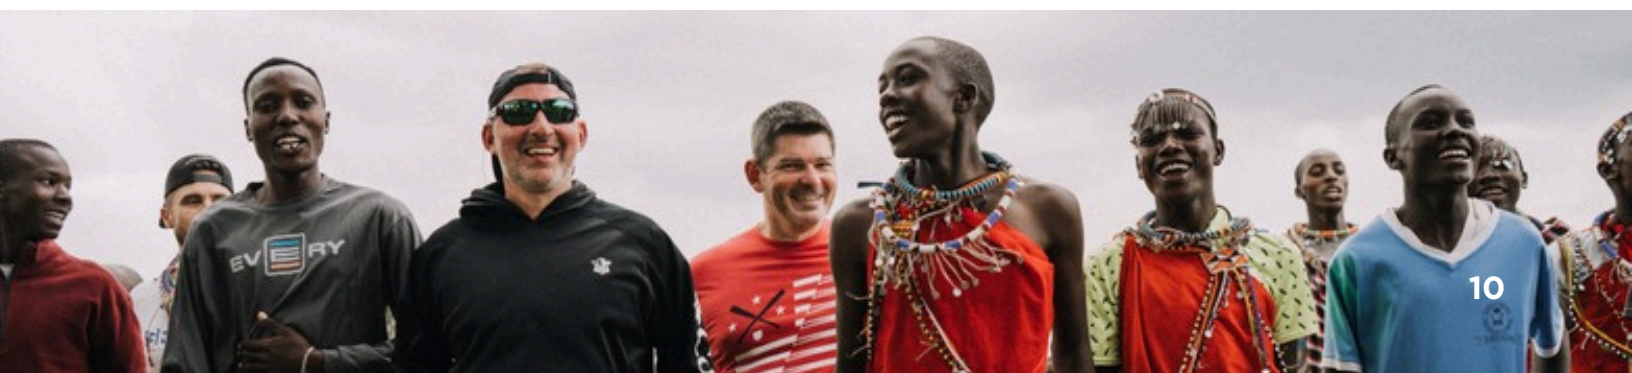

God's heart has always been for the nations. From the promise to Abraham that **"all the families of the earth shall be blessed"** (*Genesis 12:3*), to its fulfillment in the vision of Revelation where **"a great multitude from every nation, from all tribes and peoples and languages"** worships before the throne (*Revelation 7:9*), His desire is that every tribe, tongue, and nation would know Him and worship Him. The mission is not secondary in God's plan. It is central to His glory.

In His grace, He has chosen to accomplish this mission through us. As it is written, **"How then will they call on Him in whom they have not believed? And how are they to believe in Him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent? As it is written, How beautiful are the feet of those who preach the good news."** (*Romans 10:14-15*).

We are not spectators in God's story. We are participants. The call to go and make disciples is not reserved for a few. It is the calling of every believer. We are called to pray, give, and go. Jesus commanded, **"Go therefore and make disciples of all nations"** (*Matthew 28:19*). What a sacred privilege that He invites us to take part in what He is doing across the earth, making us **"ambassadors for Christ"** (*2 Corinthians 5:20*).

The question is not whether the nations will be reached. They will be. For the Lord has declared, **"My counsel shall stand, and I will accomplish all my purpose"** (*Isaiah 46:10*). The question is whether we will walk in obedience and be used to that end.

There will no doubt be obstacles to this task. But we need men and women who are not deterred by the absence of roads.

A missionary society once wrote to David Livingstone, asking if he could ensure safe roads so they could send help. He replied, **"If you have men who will only come if they have a good road, I do not want them. I want men who will come if there is no road at all."**

The gospel is the power of God for salvation to all who believe. So, with that power in hand, **let us make a road**. Let us not delay. Let us not shrink back. Let us step forward in faith, knowing that **"everyone who calls on the name of the Lord will be saved"** (*Romans 10:13*).

Right now, there is a bridge before us that can carry us from the fields in our neighborhoods to the soccer pitches of East Africa and beyond. Just as Paul used an altar to point people to Christ, we have sport. A terrible god, but a great servant, one that we can use to cross land and sea to share Christ and watch His Kingdom come and will be done as lives and communities are transformed for His glory!

Will we walk faithfully in this moment, redeem the time, and be used to lead our neighborhoods and the nations to a saving knowledge of Christ?

May our response be that of Isaiah's,

"Here I am! Send me." (*Isaiah 6:8*)

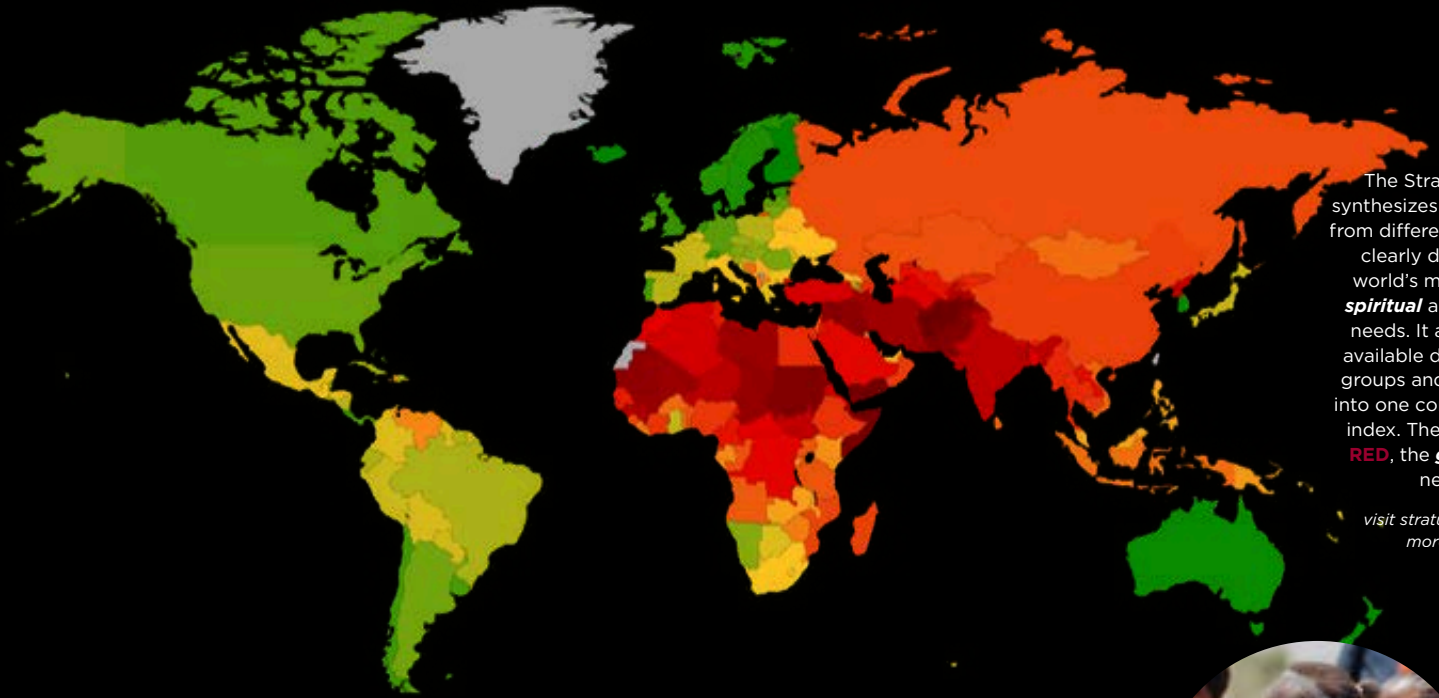

-Mitchell Dean, AL Area Director

STRATEGY

FCA's international strategy is to fulfill the FCA vision by recruiting, training, and developing indigenous leaders around the world to collaborate in pursuit of our mission. This strategy is carried out through partnerships with local sports ministries and leaders who are best positioned to reach their own communities through different levels of partnership as **International Sports Affiliates (ISAs)** or **International Sports Partners (ISPs)**.

Together, we collaborate to advance the FCA mission by making disciples through the platform of sport and encouraging local leaders to engage, equip, and empower their communities!

“I loved basketball so much it led me to God. I began to pray for success. I didn’t find success but something much better.”

They are now, in my book, part of my family. **I love them dearly and I am forever changed from their hospitality, their joy, their infectious smiles, and their intense love for Jesus.** I’ve had the opportunity to go twice in one year and I’m already planning my next trip in December. A HEART FOR THE NATIONS

Jeff Terrill, NE MS Golden Triangle Area Rep

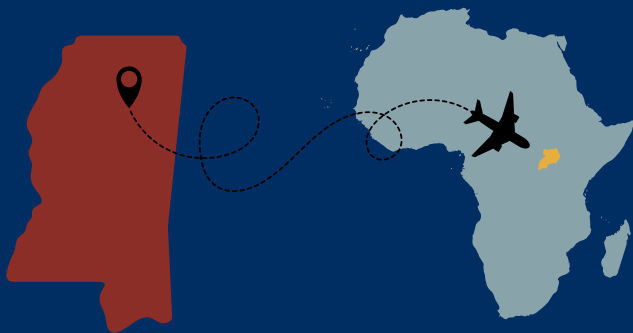

UGANDA GO TRIP

“Through FCA International, I had the opportunity to travel with a team to a Sudanese refugee camp in Northern Uganda in July. I had never experienced such poverty, the people were living in clay huts with no running water or electricity.

But what I experienced was amazing, the people of the camp treated us with such HONOR, they were a THANKFUL people, and a people of JOY, all I could hear was the laughter of children playing.

I saw firsthand God’s love for the nations. Seeing God at work across the world in a totally different culture has changed my life forever and has made it real to me, ‘For God so loved the WORLD’ and the Great Commission ‘Go therefore and make disciples of ALL THE NATIONS.’ Thank you FCA International.”

BETHEL ACTIVE YOUTH MINISTRY

ISA: Sawado Nshimimyana

MY STORY

I am passionate about using sport as a tool to transform lives and share hope. Like many young people, sport became more than just a game for me — it was a safe space. In 2010, while working as a high school teacher at Gicumbi District near the Uganda border, I began sports ministry.

At that time, many students were crossing the border to access drugs and alcohol. In the middle of this situation, I felt a clear calling from God to reach these young people in a different way. I began to connect with them through sport, and we created a space where students felt valued and heard.

Today, I continue to use sport as a platform for discipleship. My vision is to expand this ministry by training leaders and developing sustainable programs.

ISA: MOUSSA MWAHEBWA

MY STORY

I grew up as a rebel son in a war country loving sports. Unfortunately in my teenage years when the war began, I was separated from my parents and fled to South Africa. There I lived a rebellious life selling drugs and alcohol.

This was until I gave my life to Christ during 2010 World Cup Sports outreach in Cape Town. I was given a Coaches Bible by a US Missionary, Brad Wos, and the Bible transformed my life.

In 2011 the Lord called me to go back to my home in the DRC still in the war with a crazy vision to build a Coaches Discipleship Center that would serve coaches from all across the country through the power of One Ball and the Bible. The vision that seemed crazy is today impacting many lives and souls even amidst the ongoing war and uncertainty.

A Life Sold Out for Jesus

Honoring Coach Justin

Coach Justin gave his life for the sake of the gospel. He began following Jesus when our partner, Moussa Mwahebwa, invited him to spend a month at his coaches discipleship training center a few years ago. He came from the **Pygmy tribe**, an outcast tribe in the DRC, where tribal religion has a stronghold. Coach Justin loved the game of soccer, but during this month of training he also fell in love with Jesus. **He left his tribal religion and gave his life to Jesus Christ!**

Coach Justin did not run away from his tribe, but instead, went back to share the gospel with his people. Coach Justin faced dangerous situations for years, but never gave up on his tribe. He used the game of soccer to engage his people through coaching teams and discipling coaches and athletes. Recently, Coach Justin was arrested in a Pygmy village because so many Pygmies were converting to Christianity and leaving their tribal religion behind. These leaders took Coach Justin's life, leaving behind his pregnant wife with 4 children. We mourn for his family, and the FCA community in the DRC. **Coach Justin's life is a life lived of counting the cost, and giving up one's life for the sake of the gospel, knowing we gain an eternal reward that far outweighs it all.**

MAY WE BE ENCOURAGED AND CHALLENGED BY THE LIFE COACH JUSTIN LIVED. WE KNOW COACH JUSTIN IS HEARING THE WORDS "WELL DONE, MY GOOD AND FAITHFUL SERVANT" AND REJOICING WITH OUR FATHER IN HEAVEN.

"My heart for this region is centered on stewardship, intentional growth, and the holistic well-being of those we lead."

EAST AFRICA VISION

Our mission is to cultivate a self-sustaining, multiplying leadership network across East Africa that partners deeply with the local Church and communities to bring the Gospel to new frontiers.

01 Intentional Leadership Development

We are shifting from simply managing leaders to **intentionally equipping** them. My goal is for every ISA / National Leader to become a mentor, identifying and training "Timothys" within their own borders.

02 Strategic Church Partnerships

We **partner with local churches** that are already established and deeply rooted in their communities. Together, we align our sports ministry with their local wisdom and resources for a more sustainable presence.

03 Regional Expansion: New Frontiers

This year we are specifically focused on establishing a presence in **South Sudan, Burundi, and Chad**.

04 Holistic Sustainability & Member Care

We help our leaders **develop sustainable ministry models** and ensure their families are well-cared for—so they can lead from a place of overflow, not exhaustion.

By focusing on **Development, Partnership, Expansion, and Sustainability** — we will see a transformed East Africa.

OUR MISSION: SHOOT4LIFE EXISTS TO GIVE HOPE TO COMMUNITIES AND EMPOWER YOUNG PEOPLE TO USE THEIR GOD-GIVEN TALENTS TO LEAD, SERVE, AND TRANSFORM THEIR COMMUNITIES.

MY STORY

† Fifteen years ago, my life hit a breaking point. I was spiraling through deep depression and had reached a place where I was ready to end it all. But that was the moment God came looking for my heart. He found me, rescued me, and I gave my life fully to Christ. Even after that transformation, I struggled with my calling. I knew I wanted to do ministry, but I didn't feel gifted in traditional preaching or the usual "church" roles.

Then, in 2016, I met a team from the Fellowship of Christian Athletes (FCA) during a trip to Kenya. When they asked if I could help them connect with coaches and explained how they combine the Word of God with sports, everything clicked. I finally realized that the court could be my pulpit.

I joined FCA in 2017 as an ISA, and today, I am honored to serve as the Regional Vice President for East Africa. I've been coaching for 25 years now, and God has been incredibly gracious.

We worked alongside our African FCA partners to lead 4 camps and 6 different discipleship trainings with college students, coaches, and church leaders. While there, my friend Grace sought us out to thank us for coming the previous year, and for teaching a discipleship training for her and her classmates. As she shared, Grace told me as a result, **Jesus had transformed her life and she was now actively and purposefully sharing Jesus with her friends and teachers!** Her heart for sport had changed as she said, ‘I used to hate soccer and now I see it as a way to share Christ’. She is also seeking to disciple one of her close friends. This was an awesome reminder of the **power of God to reach the nations!**”

SOUTH SUDAN IS THE WORLD'S YOUNGEST NATION, GAINING INDEPENDENCE ON JULY 9, 2011. CHRISTIANS, PRIMARILY ROMAN CATHOLIC, ANGLICAN, AND PRESBYTERIAN, ACCOUNT FOR ABOUT THREE-FIFTHS OF SOUTH SUDAN'S POPULATION. THE REMAINDER OF THE POPULATION IS A MIX OF MUSLIMS AND THOSE WHO FOLLOW TRADITIONAL ANIMIST RELIGIONS.

KENTUCKY

"In 2021, Brett Bradford and I made our first trip to Egypt to meet our potential partners, see how God was using them in their ministry environments, and prayerfully consider how Kentucky FCA might be able to partner with them in Gospel ministry. Little did we know that in 2026 we would have 5 trips with over 20 people going and serving our partners! Our desire isn't just for the numbers, but for our staff, coaches, athletes, and volunteers from across Kentucky to have a heart for the nations. Our hope is that their love for the **Gospel of Jesus would compel them to Pray, Give, and Go to the nations!**"

GOSPEL AND TO MAKE
DISCIPLES THROUGH
SPORT, EQUIPPING
COACHES AND LEADERS TO
SERVE THEIR COMMUNITIES.

MY STORY

† I was raised up with a traditional Christian family background but had no relationship with Jesus - it was only by works, not by faith. In the first year of university, I started to go away from Jesus and do bad things. One day, a staff from CRU came to share the gospel with me and on this night, January 1992, I received Jesus in my heart.

I started to join discipleship groups and served Jesus with university students. I then attended CRU as full time staff to serve students for 10 years and then moved to Youth for Christ ministry to serve the youth through sport ministry.

After seeing the impact sport could have in serving this generation, I knew I wanted to give my all to making disciples through sport.

MY STORY

My dream was to play professional soccer. As I competed in competitive leagues, my coach told me he would no longer let me play because I was a Christian and had a Christian name. He said I have to change my name and become a Muslim if I wanted to continue playing soccer. I eventually was forced to quit the team.

I ran into an old coach I had when I was young, and he encouraged me. He guided me back toward my relationship with God and gave me hope. Because of him, I saw the positive impact a coach could have on others.

My dream changed from being a professional soccer player to being a coach who could impact lives for Christ. I started a soccer academy in 2005 with 2 friends and we had 16 players. This year we are celebrating reaching more than 1,000 players with 160 coaches in 11 academies across Egypt.

HOW TO PARTNER

Beshoy Salib, CRU Egypt

“Building relationships with Kentucky FCA and serving together in Egypt has truly made a deep impact on my life through their **love**, their **hearts** for people, and their **humility**. Throughout all the time we spent together, I learned so much from them about what it really means to **love others well**, to **remain flexible**, and to be **cooperative in every situation**.

What stood out to me the most was their **spirit of service**. During the camp, they decided to wash the feet of all the volunteers with such genuine love and humility. That moment deeply touched me and became **one of the greatest living examples of true servant-hearted ministry that I have ever seen.** 70

Over her t-shirt, she wears multiple layers of traditional Maasai beaded jewelry, including a wide, colorful beaded collar and several long, thin beaded necklaces with tassels. She also wears a headband with colorful beads and several small, round, metallic discs hanging from it. In the background, another person is visible, wearing a red and white beaded garment. The background is out of focus.

A group of people are gathered around a large, wrapped object. A man in a red shirt is holding the object, which is wrapped in clear plastic with a blue and orange circular logo. He is looking down at it with a focused expression. Other people, including a man in a black shirt and a man in a brown jacket, are also looking down at the object. The background is a bright, overcast sky.
